PHILIPS
sense and simplicity

Highlights

Easy lamp replacement
The extra twist to SmartSpot energy saving recessed spots: the magnetic cover plate to ensure an extra easy lamp replacement, when required after some years.

Extremely long life

Long-lasting lamp life, up to 10,000 hours in use.

Premium material

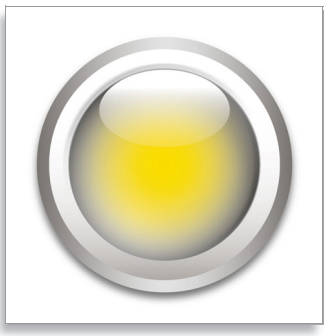
SmartSpot is constructed from high quality materials like die-cast aluminium.

Saves up to 80% energy

Every SmartSpot conserves energy, helping you to save money on your electricity bills and do your bit for the environment.

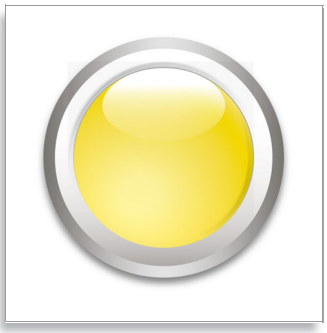
Sleek and discreet designs
The modern recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

Diffused warm white light



This light uses the latest energy-saver lamp technology to provide a flood of warm white natural light. Its diffused light will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment. Diffused light is perfect for general illumination.

Warm white light effect



SmartSpot uses the latest energy-saver lamp technology to provide a flood of warm white natural light.
